

Feed the Mind Program

Save money on tuition or reduce your Family Share requirement!

Welcome to all school families. We encourage you to purchase gift cards through our Feed the Mind (FTM) program. By participating, you can reduce your tuition bill and/or your Family Share requirement. In addition, you'll help us raise necessary funds for St. Louise School.

The best part about this fundraiser is that it costs you nothing extra! For instance, you pay \$25 for a \$25 Giant Eagle card. You simply purchase gift cards for things that you would normally spend money on anyway, like groceries, gas, restaurants, and clothes. The retailers have agreed to sell their cards at a discount, thus a profit is generated when people buy the cards at face value. The profit is then shared with you, the gift card purchaser, and the school. It is a win-win opportunity!

To make the Feed the Mind program as convenient as possible, we will continue to offer the backpack service on Thursdays. You can find the FTM ordering information on the left side of your weekly family folder. As always, FTM gift cards can also be purchased at the LeGras Parish Office.

The profit from this program can really add up and make a big difference! Last year, families that participated frequently were able to take hundreds of dollars off of their tuition bill and/or their Family Share amount. You can too! If you haven't used the program yet, we hope you'll give it a try.

Here's how it works:

Step 1-Fill out "Retail Rebate Agreement" found in this weekly family folder & send it with your first order (**this only has to be done once**)

Step 2-Review the same day and special order forms.

Step 3-For same day orders, use the envelope provided.

For special orders, fill out a separate envelope marked "FTM".

**If placing both a same day and special order, please write two separate checks.

Step 4-Send the order envelopes into the office through your student's backpack on Thursday morning. You will receive same day orders back to you that day. You will receive special orders the following Thursday.
