

STL BYOD (BRING YOUR OWN DEVICE) FORM 2016-2017

St. Louise de Marillac Catholic School is committed to assisting students in creating a 21st century learning environment. In efforts to support this progress, students will now be able to access our wireless network with their personal devices (laptops, netbooks, tablets, etc.) during the school day. With classroom teacher approval, students may register and use their own devices to access the STL BYOD wireless internet.

Bring Your Own Device Acceptable Use Policy

I will only access my school accounts or sites to which I belong using my own username and password. I will only use the devices to support my learning. During 'No Device' tasks, I will make sure my device is turned off. Any messages or posts that I send will be polite, responsible and respectful. I will not give my home address, telephone number, real name, age, email address or any other personal information online. I will report any inappropriate material or unpleasant messages sent to me to a trusted adult (teacher or parent) immediately. I understand that the school may check my device and will monitor my internet use while my device is in school. I understand that the school may have to make some changes to network settings on my device to allow it access the internet at school. I will be shown how to change these back so that my device can operate at home. I will not take my device outside during recess. I will take care of my device when I have it in school, particularly when moving around the classroom or halls.
