

Thank you!!!

Thank you very much for all that you did to support the fundraising at St. Louise School last year. **Due to your hard work and generosity, we exceeded our fundraising goal by \$100,000!** Using the fundraising over-run in combination with restricted donations from school families and parishioners, parish subsidy, and *Church Alive!* donations, we were able to make the following investments in the school this summer:

- **STREAM lab/Computer lab renovation**
- **Teacher laptop replacements (4)**
- **Laptops for the new STREAM lab**
- **Kindles for 2nd/3rd grade**
- **One-to one Chromebook initiative for 7th grade**
- **Security camera upgrades and additional cameras**
- **Network upgrades**
- **LED lighting replacement throughout the entire school**
- **Preschool launch with furniture and supplies**
- **New playground and playground surface**
- **Boiler replacement (funded by *Church Alive!* donations)**
- **Classroom carpet replacement (5)**
- **Gym Door replacement (scheduled for this fall)**

Every dollar you give to the parish and school does make a difference...whether through the weekly offertory, monthly school collection, Parish Share Program, or restricted donations. You help to improve the lives of nearly 500 St. Louise students and 9,000 parishioners.

Thank you for making a difference!
