

THANK YOU!!

Thank you very much for all that you did to support the fundraising at St. Louise School last year. **Due to your hard work and generosity, we exceeded our 2017-18 fundraising goal by \$160,500.** Using the fundraising over-run in combination with restricted donations from school families and parishioners, parish subsidy, and *Church Alive!* donations, we were able to make the following investments in the school over the past year and through the summer:

- **Continued renovations to STREAM lab (benefits K-8th grade)**
- **Purchased robotics for the STREAM lab for grades K-8**
- **Purchased 20 Sharp AQUOS Boards for classrooms to replace old Smartboards**
- **One-to-one Chromebook initiative for 6th grade**
- **Backdoor security upgrades for increased safety**
- **Additional security cameras installed at the school**
- **Preschool classrooms**
- **Installation of new gym doors**
- **Fencing around school property for student safety**
- **New windows for the school**
- **Replaced the interior doors for all classrooms**

Every dollar you give to the parish and school does make a difference....whether through the weekly offertory, monthly school collection, Parish Share program, or restricted donation. You help to improve the lives of nearly 500 St. Louise students and 9,000 parishioners.

Thank you for making a difference!
