- **Sponsor the Gala.....we still haven't reached our goal!** Please consider becoming a sponsor as it is great way to meet your Family Share, promote your business, and support the school. See the flyer included in your family mail or on the school website, or contact [gala@stloisedemarillac.org](mailto:gala@stloisedemarillac.org) for details. This does go towards your family share.
- **Classroom Gift Baskets:** Some of the most popular auction items of the evening, each grade has a basket stocked with donations from school families. Please help fill these baskets by contributing a gift card. See the enclosed form for details. **Due date for gift cards is Friday, January 18<sup>th</sup>.**
- **Auction Items-** Our next drop off for auction items is **Friday, January 11**, before or after 9 am mass in the lobby of LeGras Hall. If you have new items that you don't want or can't use, especially after the holidays, please consider donating them to the Gala. Can't make it to the drop off day, you send your items in to the school office. See the flyer on the reverse side for more details about the drop off and items needed.
- **Gift Basket Building Party:** Save the date! **Tuesday, January 22** in LeGras Hall. Lots of help is needed to get the auction baskets completed for the event. All are welcome- you don't have to be on the committee to join in! Breakfast and lunch will be provided. It begins after drop off and ends in time for pick up. Even if you aren't able to stay all day, an hour or two would be wonderful!
